

**You are already
different...our job is to
figure out how so you
can be more of that!**

You dream of stepping out with absolute confidence and surety of who you are. No more trying to blend in... you want to show your personality, your style... your outer smile. You want the path that you walk to be filled with hope, love, and optimism.

Your heart is gentle and your mind is strong and resilient. You know there is more to how you are currently existing. Your self worth is calling you to shine.

My Styling Offerings

WARDROBE CONSULT

2 hour session Via zoom or in person. Going through each piece in your wardrobe and trying on each to see how it makes you feel. The idea is to cull down what you have, and adapt where needed. I.e. purchasing a top or a bottom to complement. If there are colours within your wardrobe that are not in your colour consult from the discovery session, we will make sure they are included to freshen up what you already have.

Cost: \$250 plus travel expenses where appropriate

PERSONAL SHOPPING

After you have filled out the style questionnaire, we will determine what styles work best with your personality, body shape and skin tone, whilst working with the style you are looking to achieve; stylish, elegant, bohemian, classic, vintage, quirky. Offering beauty, comfort, style and confidence. This is a full styling service from head to toe that includes, hair, and accessories.

Service includes;

- Picking a local shopping centre near you and I'll research before hand and schedule where we will visit before we head out. If we are giving you a new hair style, I will firstly conduct an online virtual styling session
- I will be your shopping best friend. Providing you honest feedback on styles, colours and patterns that suit your personality and body image.
- With a minimum of 3 hours, we will shop for; outfits and accessories and have fun trying on styles that will look fabulous! Are you ready for your own photo montage?!!

COST: \$150 for pre outfit store selection and \$95 per hour for shopping trip plus travel expenses where appropriate.

STYLING FOR OCCASIONS

In person; we can have a shopping trip that you will enjoy from start to finish! Pick a local shopping centre near you and I'll research and schedule where we will visit before we head out. If you have not had an initial Discovery Session, using your astrological birth chart we will determine what colours and styles work best with your personality, body shape and skin tone, we will also look at the style you are looking to achieve; stylish, elegant, bohemian, classic, vintage, quirky with an emphasis on beauty, comfort, style and confidence. With a minimum of 2 hours, we will have fun shopping for your outfit and accessories that will have you looking amazing for your special event. Are you ready for your own photo montage?!! After our shopping trip, we will do a virtual hair styling session to determine the best look for you and your outfit, and book the appointment so that the stylist knows exactly what she will be creating for you.

COST: \$150 for pre outfit store selection and \$95 per hour for shopping trip plus travel expenses where applicable.
